

Strategic Planning FY 2024

Zion oversight team will continuously look for areas of improvement and ensure that Zion Integrated Behavioral Health Services maintains a responsive and engaging workplace culture organization. Zion Integrated Behavioral Health Services will adhere to being champions of the mission and values adopted by the organization.

By strengthening the team's understanding of the organization's strategic plan and mission; staff skills, programming quality, successful outcomes are enhanced and fosters efficiency. This allows leadership to focus on expansion of the organization to develop additional programming, expand services, mature employment, and enrich creditability in the community and funding sources.

Goal: Organization Financial Stability

Goal: Succession Planning

Goal: Improve services and remove barriers

Goal: Enhance competitive standing of the organization

Goal: Technology Improvement and workflow
